hakuouki drunk

hakuouki drunk

hay i herd the demon vice camander can't drink. yelled soji. oh yaa well all show you! yelled hijikata with a bottle sake in his hand. so why are we doing this seid chizuru. oh wayt and see seid with a misgives grin. fine but i have a bad feeling about thisâ€| she side in defeat to what soji jest seid cause she knew that he wont tell her, so she only chous was to sit back and wayt. hijkata half way throe the secant bottle whenâ€| oh man you guise are so grate, aspeshely you chizuru did you know i love you so much and thats why im the demon to keep all of you guise away. aspesholly you! he looked at soji with his most demonic glare, i know you would defanitly take advnige of her. which is why, sunnily he took her in his armes and kissed her. after she started to cry, then seid she's going back to headquarters and ran away crying. every one trend to look at hijikata, then left without saying a werd.

( the next day )

chizuru dint come out of her room that day.

elsware in the compound. every one was eating in sillies glaring at hijikata. when kondo san appeared he asked ware is yukimora? then heiskie seid with malis why don't you ask hijikata whats wrong after all it is all his falet that she ran back here all the way from shimabara and hasn't left her room no mater what! hijikkata looked up from his breakfast and seid what did i do? why are you so angry? you drank a little to much sake and kissed chizuru without asking seid sito. right now the only one she speks too is soji i thinks she likes him seid shinpachi. hijikata looked stunned at this information that he jest learned. then he suddenly got up and ran to chizuru's room. you think we should fallow him to make shere he docent do anything

seid sito good idea agreed heard. they all got up and followed hijikata at a distance so they would not be seen. when he got to her room he flew open the door to see her sitting looking out the window. when she looked up she just glared at him with all the anger that she could muster, there was a murderous aura emanating from her. hijikata flinched and walked in saying oh well you see iâ€¦. then before he finished, . BAMM BAMM. hijikata came out of chizuru's room and noticed the rest of the guys staring at him then shoji said i tack that she's still mad judging from the black eye you have. hijikata took a deep breath and said lets go to the common room with kando san and sansan kun we have stuff to discuss. ( in the common room ) everyone sat in silence waiting to hear what happened. so toshi what happened? i bet he took advantage of her agen said soji with a smirk. NO thats not it i went in her room but when i was about to apologize i saw a blood stain near the top of her pants she saw i was looking at it and she just hit me, she seemed nervous about it to do you know why? everyone looked confused. i can explain everyone turned their heads toward the doorway when studs there looking very serious. she sat down and explained what happens every month and the side effects to it then she said i think her mood swings are vicious when she's upset judging by your eye looking at hijikata what did you do? then he replied by saying i kissed her when i was drunkâ€¦. she frowned and waked him with her fan then turned to address the other men saying now you should treat her with kindness and the less stress the better and if she gets cramps give her some tea and tell her to rest. and as for you turning to look at hijikata how was still rubbing his head when she hit him with a murderous aura stay away from her! got it he nodded looking at her. and as for the rest of you she turned to see the rest of the men cowering except for okita and sito, keep him away from her everyone nodded in agreement ok all be going she said and turned away and disappeared.
